

The First International Congress **ESE' 2018** **Energy Security & Environment**

From 02 to 04 May 2018, Palm Azur Hôtel****, Djerba, Tunisia

CALL FOR PAPERS

The aim of this congress is to exchange scientific knowledge and research in **Energy** (renewable energies, new energies ..), **Security** (of industrial process) and **Environment** (waste treatment, effluent treatment ...).

The International congress **ESE'2018** will provide a forum for researchers, academicians, scientists and industrial professionals around the world. The congress consists of keynotes, oral sessions and poster presentations.

This will be enhanced by a **Workshop on Quality management for Industrial Systems on the 3rd May 2018**.

The **ESE'2018** publishes the best presented papers in partner journals.

Authors from academia as well as industry working within the scope of the congress subjects are invited to submit their papers. Submissions will be peer reviewed by our International Program Committee on the basis of full manuscripts. Acceptance will be based on quality, originality and relevance.
